

Newsletters for all BSF schools now ready to download

[A new edition of the termly BSF Newsletter for each BSF School is now available to download](#) from this site. Containing information about each phase in the BSF Programme, the Newsletter provides each school with an update on BSF as a whole, plus specific information on their own scheme.

Schools will be able to download their Newsletter and provide copies to students and staff, using their Virtual Learning Environment and websites to display the Newsletters.
