

Chaucer BEC Sports Pitch Newsletter

Chaucer BEC BSF newsletter Issue 1 July 2010

Welcome to our July Site Newsletter

Welcome to the first **VINCI Construction UK Chaucer BEC Sports Pitch Newsletter** for July 2010. This newsletter has been produced to help keep you informed about activities and progress associated with the new Sports Pitch Facility shortly due to commence at the school.

VINCI Construction UK

VINCI Construction UK Limited have been appointed to construct the new sports pitches. VINCI Construction incorporates the heritage and experience of major UK construction brands to provide a fully integrated service in the Building, Civil Engineering, Air, Technology and Facility Management. We have an annual turnover exceeding £1 billion. VINCI Construction forms part of VINCI PLC, the world's leading concession and construction group.

Planning Approval

Planning approval has now been granted for a major landscaping improvement scheme to the school which will include the creation of landscaping and social gathering areas and enhancement works to the appearance of the front of the school. Improvements to the school playing field provisions will include a new synthetic all-weather sports pitch with floodlights and a new 8 lane synthetic running track

The new facilities will be a great asset to the school pupils and community as a whole.

Construction Works

Construction works are due to start in late July 2010 and will take approximately 43 weeks.

Please be aware that there will be construction vehicles entering and leaving the site on Chaucer Road however we will endeavour to minimise disruption by scheduling our deliveries to avoid the busy school run times.
