

Public Exhibition

Monday 8th November
5.00pm - 7.00pm

As part of the Building Schools for the Future Programme we are proposing to improve and extend the facilities at Handsworth Grange Community Sports College. As part of the planning process we would like to invite you to attend a public exhibition. Our plans aim to provide a modern and welcoming learning environment in a high quality and distinctive setting which will engage parents, teachers, pupils and the wider community. In order to achieve this, our exciting proposals for Handsworth Grange Community Sports College include:

- Refurbishment of existing buildings to provide modern and enhanced teaching facilities.
- The creation of a new visitors' & pupil entrance.
- Construction of a new accommodation block providing high quality teaching space, pupil and staff facilities.
- Improved pedestrian access into the school and throughout the site.
- An improved site security strategy to ensure the safety of pupils and staff.

The public exhibition will be held at Handsworth Grange Community Sports College on 8th November 2010 and will run from 5pm to 7pm and will provide the opportunity for you to view and discuss the proposals with members of the project team. Please note: the proposals may not fully represent the final design and are still subject to planning permission.

We really want to hear your views on our proposals so please come along and talk to the team. The exhibition will be held in the school hall.

We look forward to seeing you there.

Please note: The exhibition will be on display in the foyer of the school until Friday 12th December, feedback forms will be available for anyone wishing to comment.
