

# Notre Dame High School Newsletter

Notre Dame High School Newsletter - Issue 1 - May 2011

## Welcome to our May 2011 Site Newsletter

Welcome to the first **VINCI Construction UK Notre Dame High School Newsletter** for May 2011.

This newsletter has been produced to help keep you informed about activities and progress associated with the new building scheme due to commence at the school week beginning 30th May.

### CONTENTS

- Welcome
- VINCI Construction
- Scheme Outline
- Construction Works
- Contact Us

## VINCI Construction UK Limited

VINCI Construction UK Limited has been appointed to construct the new building scheme and refurbishment works at Notre Dame High School.

VINCI Construction UK forms part of VINCI a world leader in concessions and construction.

VINCI Construction UK is a national contractor with a network of regional offices throughout the UK.

From our Sheffield office, we are in partnership with Sheffield City Council to deliver the Building Schools for the Future programme.

## Construction Works

Construction works are due to start 30th May and will take approximately 90 weeks.

The first phase of works will include: site setup, some limited demolition works, and commencement of the new build and provision of temporary student accommodation.

Please be aware that there will be construction vehicles entering and leaving the site via the gates on Fulwood Road; however we will endeavour to minimise disruption by scheduling our deliveries to avoid the busy school run times.

## Scheme Outline

Works to improve and extend the facilities at Notre Dame High School will commence at the end of May.

Our plans aim to provide a modern and welcoming learning environment in a high quality and distinctive setting which will engage parents, teachers, pupils and the wider community.

- Refurbishment of existing buildings to provide modern and enhanced teaching facilities.
- Construction of a new accommodation block providing high quality teaching space.
- New pupil and staff facilities and a new kitchen and restaurant.
- The creation of a new visitor's entrance in St Joseph's.
- Improved pedestrian access into the school and throughout the site.

## Contact Us

Newsletters will be produced at regular intervals during construction activity on site.
