Dear parents / carers

Mobile phone, MP3 and other electronic communication devices Policy at Yewlands Technology College

This is to remind you that we have a 'no mobile phone, MP3 and other electronic communication devices' policy in school to support learning. If students are seen with a mobile phone or any other electronic communication device **or** these items disrupt lessons, the phone / device will be confiscated and kept safely in school until a parent / carer contacts school. The parent / carer **must** speak to the Headteacher or Deputy Headteachers before the item is returned.

Governors took the decision to ban mobile phones (along with a great number of other schools locally and nationally) some time ago – this policy has had a greatly positive impact on learning and behaviour.

We are reinforcing this policy again to students in assemblies and would appreciate your support to ensure that mobile phones are not in school and therefore do not disrupt learning.

Yours sincerely

A handwritten signature in black ink that reads 'A Armytage'.

A Armytage
Headteacher
